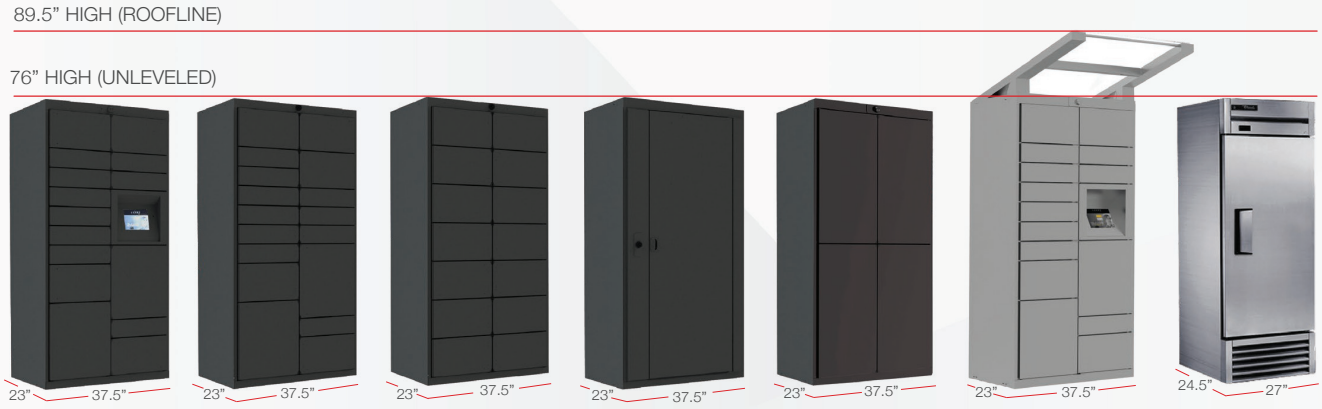
- 100% package acceptance
- No registration fees required
- Revenue opportunities available
- Expandable systems
- Oversized locker accepts most larger package deliveries
- 24/7 video, email, and phone support
- Designed & built in the USA
- UL and LEED certifications available



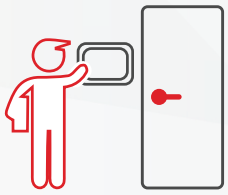
Main Unit | Add-On Unit | All-Medium Unit | Oversized & Overflow Unit | Four-Door Unit | Outdoor Option (Available for all locker units (except Luxer Fridge)) | Luxer Fridge

Mix and match towers for your specific needs.
Ask about custom colors, branding, and wraps for a completely unique solution!

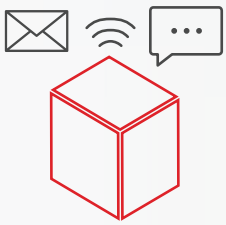
LUXER ONE

NATIONAL PREMIER PARTNER

The **Luxer Room** frees your staff from accepting & delivering packages



Using OCR technology on the touch screen station, carriers easily deliver to your controlled access package room.



Residents are notified instantly via text or email that they have a package to retrieve from inside the locked room.

Residents enter a one-time code to unlock the package room door. We capture a signature and picture showing proof of pickup.

KEY BENEFITS

- Accessible 24/7
- Video surveillance & access logs for accountability
- LuxerLens OCR technology scan labels and find recipients instantly
- Low monthly service fee
- Efficient use of small space
- Scalable for high volume occasions
- Ability to add refrigerator for perishable deliveries
- Lifetime warranty
- 99.9% uptime guaranteed

99.9% UPTIME GUARANTEED
